8-May-12	<p>The attached solicitation has following references: "The Request for Proposal (RFP) will be issued as a competitive requirement open to small business firms in accordance with FAR Subpart 6.2, Full and open competition after exclusions of sources"</p> <p>"The RFP will be open to participation by interested HUBZone small business firms with specialized experience and qualifications required by this contract. The NAICS code for this IDIQ MACC solicitation is 236220 with size standard of \$33,500,000"</p> <p>Does the first paragraph mean that it will only be open to small business if there is not adequate HUBZone interest? We are a qualified small business but lost our HUBZone status recently due to the redesignated areas in the HUBZone program.</p>	<p>This procurement is total HUBZone small business set-aside. FAR clause 52.219-3 will be added via amendment 0001.</p>	Y	0001
7-May-12	<p>Regarding the project noted above are looking for a bid that includes a team consisting of an Architect an Engineer and Contractor? Or can my firm submit a bid as Architect/Engineer?</p>	<p>The Government intends to award to the responsible offerors whose proposals represent the best value after evaluation in accordance with the factors in the solicitation. In section 00202 of the RFP, the basis of evaluation and submittal requirements for each factor are covered in detail.</p>	N	N/A
14-May-12	<p>I came across this solicitation and was wondering if you knew how materials testing and/or geotechnical/environmental services for the various task orders associated with this MACC would be handled; i.e., would NAVFAC contract directly with the testing agency or would the contractor be responsible for these services?</p>	<p>Per spec section 01 45 00.00 25, paragraph 1.6, Quality Control Plan, the contractor shall be responsible for providing testing services.</p>	N	N/A
15-May-12	<p>Could you tell if and when a site visit is scheduled for this project?</p>	<p>Site visit information is located on page 61 of the RFP.</p>	N	N/A
